AGENDA

MEETING OF THE COUNCIL ON GOVERNMENTAL RELATIONS

WASHINGTON MARRIOTT HOTEL

March 5 and 6, 2015

Planning information for the upcoming meeting of the Council on Governmental Relations was sent to the COGR Listserv in December 2014. Those planning to attend should make hotel reservations at the Washington Marriott Hotel at 1221 22nd Street, N.W., Washington, D.C. and should send registration notices along with registration fees to the COGR office. There is a block of rooms reserved for COGR participants. After this block fills, reservations will be accepted only on a space and rate available basis. There may still be rooms available at the hotel, but these would not have the COGR rate. For reservations already made, changes should be made by telephone to the hotel (202-872-1500) and by FAX to the COGR office (202-289-6698). Cancellations must be received in writing, via fax or mail, no later than Thursday, February 26, 2015 to receive a refund of the registration fee.

📅 4:00 p.m. – 5:30 p.m. – **What Does It Mean to be a “Business Friendly” University?** - Universities and other research institutions are increasing their engagement with industry at many levels and in a wide variety of ways. This trend is likely to continue in view of static or declining federal funding and increased financial pressures. Yet the increased industry engagement has brought with it concerns about the implications for university mission and integrity, novel contract and IP terms and conditions that may depart from usual university norms, and potential tax issues. These concerns are not new, but have accelerated recently with the emphasis at many institutions on increasing relationships with industry. A panel will discuss new approaches and models for university—industry collaborations, challenges that institutions face, and the implications of becoming “business friendly.” We will be hearing about the status of the UIDP on Friday morning; these sessions will be complementary.
